Letters From the Mayor of Pine Lake During the COVID-19 Pandemic of 2020

Date / Link	Highlights
	There is a lot happening in our community here are a few:
	 Wednesday, September 23rd at 7pm we will hold our first ZOOM Town Hall.
	 We are also working with Ed Lee, EdD, from Emory University to prepare a series of
	facilitated conversations on race after the November election.
	• We are working with our engineering consultant on a long-term plan for repairing eroded
	parts of the wetlands bank, mowing parts of the back berm, and the removal of trees safely
	so as not to destabilize the earthwork
Court 1 Cth 2020	• Census. We are at a 57.5% self-response rate. Please fill it out (if you haven't yet) or help
<u>Sept 16th, 2020</u>	a neighbor do so.
	We work:
	• Pine Lake, like cities across the nation, is talking about inclusion, diversity, and systemic
	racism
	• The elected leaders and community continue to work on these issues in the City.
August 21st 2020	• "In these times, we all require compassion— freely given, to others as well as ourselves.
<u>August 21st, 2020</u>	Especially now."
	Some things that make Pine Lake Unique:
	Three of the last four Mayors are LGBTQI
	Our constructed wetlands cleans the water that passes through the City to the
	downstream residents of Dekalb County
	The majority of our commercial district is occupied by minority-owned businesses
August 12th 2020	• Since August of 2016, Pine Lake has had all-female leadership, including Chief Green and
August 13th, 2020	Judge Wiggins
	 To date, a total of eleven residents who have tested positive for COVID
	• 30083 zip code doubled the number of positive tested cases between June 28 and July
August 2nd 2020	26, from 404 to 809
<u>August 3rd, 2020</u>	 The lake is recovering naturally from an unusually large algae bloom
	This isn't the "second wave;" this is the building severity of the first wave.
	• Our municipal court re-opened for three sessions with many safety precautions and
	enhancements in place—yet, after consultation with Judge Wiggins, we are closing again
	effective 7/17.
	• On Tuesday July 7 Council voted to return to our state of emergency status, given the
July 10th, 2020	public health conditions in Georgia.
	• The virus hasn't gone anywhere. The virus hasn't abated. So please— wear masks in
	public, physically distance and wash your hands.
	• Assistance for COVID and many other federal and state funds are allocated by population.
July 1st, 2020	Please complete the census to make sure that we get our fair share.
	Public health. Public safety. Fiscal responsibility. Who we are to each other? All intertwined
	in ways we can't begin to address without compassion in the mix. Without relationships.
June 19th, 2020	,
	Mayor's thoughts on the demonstrations of collective grief and rage in communities of
June 1st, 2020	color all over our country; focused on our nearby city of Atlanta.
May 31st, 2020	Pine Lake responds to the pandemic with creativity

Letters From the Mayor of Pine Lake During the COVID-19 Pandemic of 2020

 season. The beach and the lake will not be opened to the public. The playground will remain closed. Diagonal lakefront parking will be reduced by 12 spaces. Letters From the Mayor of Pine Lake During the COVID-19 Pandemic of 2020

<u>Mar 23rd, 2020</u>	Basic advise: Wash your hands; stay inside if you are unwell; observe social/physical distancing. If you have the ability to shelter in place, do so.
	• In the interest of encouraging social distancing and helping to mitigate an ongoing health crisis, we are closing the beach for public use until further notice. We are also removing the picnic tables and swings.
<u>Mar 19th, 2020</u>	 As Emory infectious disease expert Dr. Carlos del Rio said this morning, "To limit the spread in the community we need to spread the community
<u>March 17th, 2020</u>	Mayor reports on conference call with Governor: Governor Kemp declared a public health state of emergency over the weekend, ratified by
<u>Mar 11th, 2020</u>	Describing the discussion of the COVID-19 situation at the March 9th Council Meeting
<u>Mar 10th, 2020</u>	Discusses suspension of use of facilities, introduces COVID-19 webpage and other methods of communication and announces preliminary planning for a Wellness Check Network.
<u>Mar 3rd, 2020</u>	Explaining the steps being taken by the City to respond to the COVID-19 outbreak.
