

TOWN HALL MEETING ANNOUNCEMENT

Join us for a presentation and discussion about our lake, water delivery system, wetland mechanics, concerns about upstream development, and how it impacts Snapfinger Creek volume /flow.

- AECOM (Pine Lakes' contracted Engineering Partner) will present information about the Army Corps of Engineers Permit Modification and a timeline for needed maintenance and repairs.
- Questions and Answers Session Topics:
 - Headwall damn repairs.
 - Wetland mechanics.
 - Environmental concerns (water quality, upstream development, pollution, the impact of long-term drought) and Snapfinger Creek volume/flow.
 - Cans and cant's
 - Potential opportunities for community involvement and volunteer projects.

Date: Wednesday, May 21, 2025

Time: 6:30 pm – 8:00 pm

Location: Pine Lake Courthouse / Council Chambers 459 Pine Drive

Virtual Location: <https://www.youtube.com/channel/UCDXEv6kIPC0I-iKSHU4gtg>. Live chat will be active and monitored so that questions can be asked/answered in person.

Hosted by Mayor Brandy Hall and Council Members Jean Bordeaux (mayor pro tem), Jeff Goldberg, Tom Ramsey, Thomas Torrent, and Augusta Woods.
