Senior citizens in **Pine Lake** have been smiling brighter as the city recognizes a week geared toward their pearly whites. At the May meeting, the City Council approved a proclamation by Mayor Neil Copeland to recognize May 16-22 as National Senior Smile week in **Pine Lake**.

The proposal drew several snickers as council members, unsure if the proclamation was a joke, were reluctant to second the motion. Finally, Judith Weisberg anteed up her second and all smiled as the motion carried unanimously.

**Pine Lake** mill rate falls by one for `93 The **Pine Lake** City Council, during its May meeting, passed a 1993 Millage rate that was 1 mill less than last year's rate. Now at 13 mills, the new millage rate will save **Pine Lake** homeowners \$1 for every \$1000 of taxable property held.
