

Dear Community,

I'm excited to announce that Pine Lake will be moving its City Hall to 425 Allgood Road in early 2019.

As of this morning, the City owns an office space that is large enough to house both municipal and court administrations, opening up space for our current police department to expand. The courtroom and council chambers will remain in its current location.

Elected administrations have worked for years to bring together the residential and commercial districts. Bringing a city center identity to the uptown corridor is a giant step toward creating a holistic municipality. It is also a necessary next move toward the continued development of our commercial community and the long-term sustainability of the city of Pine Lake.

We have posted FAQs on the website and will be happy to answer any other questions you may have.

Best wishes for a safe and peaceful New Year.

Your Mayor,

Melanie Hammet  
Mayor, City of Pine Lake GA
